

SUMMARY

Hi, I am an experienced and self driven Animator with 12+ years of professional experience in Character Animation. I am proficient in softwares like ToonBoom Harmony, Autodesk Maya, Procreate and Adobe Creative Cloud, including Adobe Animate, After Effects, Photoshop, Indesign and Illustrator. I have strong animation skills and a keen eye for detail. Over the past few years I have demonstrated the ability to lead creative teams, deliver high-quality Animation and Graphic Design by ensuring the project outcomes align with client goals while consistently meeting deadlines and quality benchmarks. I am always expanding my skillsets and look forward to diversifying my work by working on various 2D and CG projects.
